

JAPANESE BOX WORKSHOP

with **BARRY MORENTZ** on Friday April 26th, 2019

at the Sportsman's Club, 576 Nichols St., Norwood MA ■ 9am to 5pm ■ \$80

In this workshop we'll make two, possibly three, simple, elegant, Japanese-style folded boxes. The boxes are geometrics, formed from one long sheet of card stock scored and folded to create equal triangular shapes. The form can easily be expanded from a square to a pentagon, hexagon, octagon, etc. The first box will be made from heavyweight translucent Pergamenata stock, to understand the overall structure and assembly.

The second box will be finished with Japanese papers. We will create decorative lids using a variety of techniques and finish them with beautiful beads or finials. The third box, time permitting, will be a variation by either expanding the number of sides or changing the folds.

The total cost for this workshop is \$80.

There will be \$12 supply fee, payable directly to the instructor

Refunds will be given only if we are able to fill the vacancy from the waiting list.

Register at Masscribes.org via PayPal or check for \$80 by February 15th, 2019
